

35W@94: Downtown to Crosstown Reconstruction Project

38th Street Bridge Closes March 2

38th Street Bridge Closes March 2

- The 38th Street bridge over I-35W is scheduled to close March 2 for reconstruction.
- The bridge will remain closed through early August 2018 to motorists, pedestrians and bicyclists (see back for detour map).
- Metro Transit bus routes 23 and 133 will be impacted with this closure. For updated route information and to receive Rider Alerts visit www.metrotransit.org/alerts, or call Metro Transit's Transit Information Center at 612-373-3333.

Local Access for Residents on Stevens Ave and 2nd Ave S

- The intersections of Stevens Ave/38th Street and 2nd Ave S/38th Street will also close during the bridge closure.
 - Stevens Ave and 2nd Ave S between 37th Street and 38th Street, and 38th Street and 39th Street will be open for resident access; access will be available from 37th Street or 39th Street.
 - Two-way traffic on Stevens Ave between 37th Street and 38th Street will be allowed.
 - Parking on Stevens Ave and 2nd Ave S will not be affected.

I-35W Weekend Closure: March 2-5

- One weekend closure of I-35W, tentatively scheduled from 10 p.m. on March 2 to 5 a.m. on March 5, will be required for demolition of the bridge:
 - Crews will be working 24 hours a day during this weekend closure.
 - Residents and businesses should anticipate construction noise, lights and vibration during the night.

36th Street to Southbound I-35W Ramp Closure

- The ramp from 36th Street to southbound I-35W will close in conjunction with the 38th Street bridge closure.
- The ramp will remain closed through Fall 2021.
- The detour route for the ramp closure: 36th Street, Portland Ave to the 46th Street southbound I-35W ramp

Construction activities are subject to change due to weather, schedule and unforeseen impacts.

35W@94: Downtown to Crosstown is a four-year reconstruction project on I-35W between 43rd Street and downtown Minneapolis. The work includes reconstructing pavement, bridges and ramps on I-35W, adding new access ramps to the Lake Street Business District and building a new transit station on the interstate. Once complete, motorists and residents will have better accessibility, safety and mobility in the area. Work is expected to be completed in fall 2021.
